KARLIE
Addictive Obsession

Look between Karlie Montana's shoulder blades and you'll find a tattoo that reads "Addictive Obsession." Now look at the rest of her and you'll understand what that means. "I've had men who treated me like an addictive obsession. It was kinda flattering, but mostly it was creepy," Karlie says. "Really the tattoo is about my own addictive obsession... with sex!" What question does the perky 24-year-old answer most often? "No, I'm not related to Hannah Montana," she says. "But I would like to have *sexual* relations with her. She's 18, so I can say that now, right?" Sounds okay to us, Karlie.

JET SET SEX!

Jesse And Friends Feel The Need For Seed In XXX Parody *Top Guns*

Remember the movie *Top Gun* starring Tom Cruise and Val Kilmer? You know, a bunch of hot guys, locker room scenes, and, of course, the fighter jets? I bet all you guys out there were like, "Man, wouldn't this be better with a bunch of hot girls, especially the locker room scene," right?

Well, once again, Digital Playground has made your fantasies come true. We have remade this classic '80s movie and called it *Top Guns*. If you thought *Body Heat* was hot, (and it was!) wait until you see this!

We had three real jets on set and lots of air-to-air combat. It was a demanding shoot, but the end results are totally awesome. We shot at a real airport hangar, and—the hottest part of all—we shot an orgy on the wing of one of the jets! We even broke in our newest girl Selena Rose on her first girl/girl scene ever! She had never in her life been with a girl. She certainly has now! I'm not sure if she'll ever go back to guys again! Ha-ha!

Also for this huge movie, Stoya came back, looking gorgeous with long hair now. How can you resist Riley Steele, Stoya, Raven Alexis, Kayden Kross, Selena Rose, and, of

course, me, getting nailed by not only each other, but by Tommy Gunn, too? Answer: You can't!

The sex in this movie is insane. We had the floor of the airport hangar completely drenched in cum. I had a scene with Erik Everhard in the bar bathroom. We had sex against the sink, and we kept sliding all over the place. It took us a while before we realized we were fucking on top of the soap dispenser and we were sliding around in the soft soap sprayed all over the countertop. Ha-ha!

Riley and I play characters like Maverick and Goose, while Kayden and Stoya are like the Ice Man and his partner. We all played against each other, and had a great time. We even kind of remade the bar scene with Erik trying to sing. Then we played volleyball with Scott, Mick, Marcus, Erik, Stoya, Kayden, Riley, and me. It was a lot of fun, even though no one could really play volleyball except two of the guys, Kayden and me.

Anyways, this movie is badass. Director Robby D out did himself yet again! The special effects and the sex in this movie are crazy! Hope y'all love it!

Check out the website created just for the movie at **www.topgunsxxx.com.** See y'all next time!

MYA
"Sit On It"

MYA

Mya Nichole has had rectal problems all week. No, it's not irritable bowel syndrome or anything. It's more like a persistent itch that demands to be scratched. Fortunately, Mya knows what to do. She summons a male suitor and sucks the butt scratcher in his pants until it's good and stiff. Then she sits on it. Ahhh, that's better. The feel of the hard, fleshy shaft penetrating her bowels is exactly what Mya needed. It's the feeling she lives for. In fact, Mya's so happy, she starts to bounce up and down, fondling her boy toy's soft nut sack. Uh-oh, Mya's butt-scratcher is throbbing uncontrollably, spurting streams of sticky goo up her rectum. That's okay. Mya knows how to get it hard again...

SASHA

Sasha has nice tits. We met her in Macedonia, where she was slinging coffee. After half-a-cup, we asked, "Can we see your tits?" We expected a slap, but Sasha was impressed with our porno business cards "Yes!" she said. Th rty minutes later she was topless in our photo studio, big melons out, nipples hard as pebbles. "Can we see your pussy?" She didn't understand, so we sketched a crude spread-eagled stick figure on piece of paper. "Ah...yes!" Sasha said, spreading and showing us her wet, juicy center. "How about that ass?" we asked, spinning our fingers in the air. "Turn over...let us see your brown starfish." Sasha did so immediately "Yes!" she said again. Evidently this was the only English word she knew. Why teach her any others?

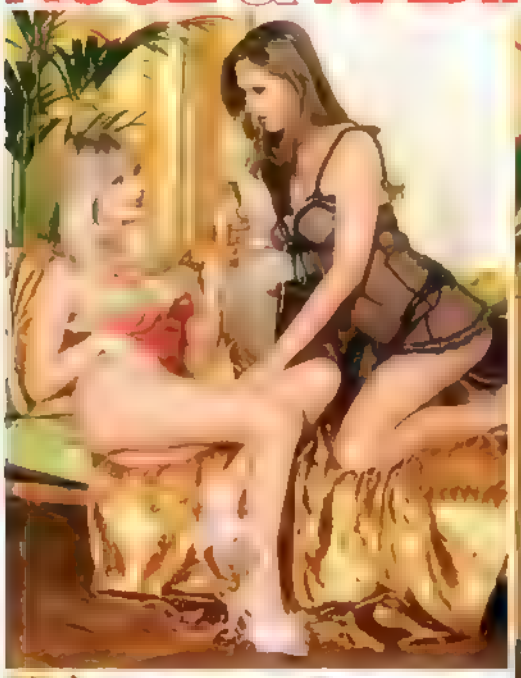
ROSE & NADINE

Dining In Rear

ROSE & NADINE



Rose has a big crush on her old college roommate, Nadine. They roomed together for years, but never got closer than a few hugs. But Nadine is in town for the night, and Rose vows to make her dirty dreams a reality. Back at her place, Rose pops a bottle of bubbly and the girls recall their dorm days. "We were roommates for four years," Nadine says. "How come we never, you know...fooled around?" It's music to Rose's ears. She frees her tingling nipples from her flimsy top and thrusts her perfect boobs in Nadine's direction. "Because I was waiting for you to ask!" Rose says. They kiss, and moments later Rose is cumming all over Nadine's fingers. Later still, she cums on her face. Several orgasms later, Rose asks, "So, what are you in town for anyway?" "I'm the keynote speaker at the Gay and Lesbian Summit," Nadine says. Should have asked earlier, Rose. Could have skipped the dinner and champagne

Every Digital Playground movie is something of an event, but when it marks the debut of a new girl, it is time to really pay attention. This time out we're lucky enough to see the first time of the lovely Selena Rose, a former Hooters gi who found a better (and more lucrative) use for her dangerous curves.

But there s much more to *Jack's POV 17*, including another DP contract girl and three girls who are arguably worthy of the status. Heather Starlet s the other Digital Playground girl, and she puts on a worthy performance with Mick Blue The other three do is are Chanel Preston, Charley Chase and Tori Black, all three worth their weight in gold, or at least n jizz.

Jack's POV 17 is mpressive, especially for those of us who are fans of POV material. With five absolutely drop-dead gorgeous girls who suck and fuck their way toward the gooey goodness that they know is coming, this is a can't miss The pictures do it justice, but you'll want to see the video footage for yourself.

Heather Starlet with Mick Blue

Some of you might recognize Heather as Jamie Summers, but now that she's with the mothership known as Digital Playground, the former will have to do and if anyone's complaining you're reading the wrong magazine. Mick finds Miss Starlet in the bathroom (in case you haven't noticed, in Porn Valley the bathroom door lock has yet to be discovered) playing with herself and being of the two, able-handed variety, she starts playing with Mick, too. She gets off the can and gets her mouth on the man, the limitations of her throat well within acceptable levels

Heather loves gobbing nob as much as—if not more than—the next girl, but even she has bigger, or at least better, deas. Mick lies across the floor and she mounts him, her wide-eyed, innocent eyes bulging as his cock pushes them out slightly as he enters her vag. Oh, she looks like a fucking newbie, but the way she rides tells a whole different story. She goes cowgirl and reverse, granting us with excellent views of both sides

Someone had the idea to move into the bedroom and she shows off just how easy it is for her to pull those legs back over her head and depth finds another perception as Mick pounds that pretty pussy until the beauty is ready to swallow her load. She takes his deposit and her big eyes say that the funds are readily available

Chanel Preston with Scott Nails

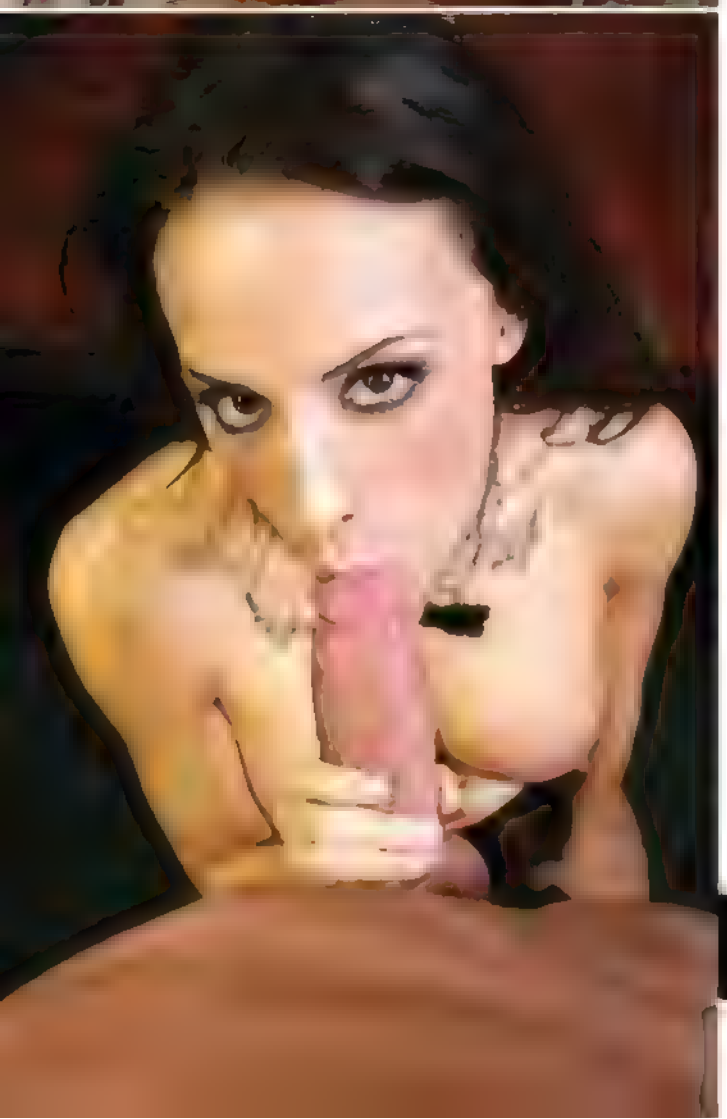
Poor Chanel just can't find a job to save her tush, but she's the creative type and when, during the interview, she whips out her impressive rack, Scott suddenly thinks he just might have a position for her. In fact, he might have a few of them.

But before they can get into position, Chanel has crawled over the desk and aggressively whipped out his dick and handles it well with her able paws. But no matter how impressive the jerking off might be, they both know it's time to go to the next level. After a quick warm-up riding his dick in the chair, he takes her from behind and his desk has never handled such important business. That little cooch stretches out easily as his fat rod kisses her pink, and her lips follow his shaft in and out, each stroke one more line on her resume, which will be pages long by the time he loses his load.

Speaking of, Chanel gives her twat a break and goes back to sucking him off. Knowing there is a potential job on the line, she gives it her best shot and soon he's pulling out of her wordhole and shooting his load all over her stomach. She fingers it up and licks it off her fingers, her way of saying she is accepting the job offer.

Charlie Chase with Mick Blue

For once Mick is the innocent party here, simply showing up at an internet café hoping for a little web time for himself



Those hopes are dashed when he finds the place closed and only Charley inside cleaning up. That no doubt rings a few bells in Mick's mind and next thing you know he's on a couch with his cock deep inside Charley's yappy little mouth

As if on cue, she gets naked and backs her chub hole onto his eager cock and there is somewhere between little and no problem getting that huge slab of meat into her grinder. She twists better than Chubby Checker could have dreamed a girl could, and Mick, the lucky recipient, can do little but pump away and smirk at his good luck.

While his intent may have only to have gone online and maybe checked the news or Skyped a friend, Charley gave him so much more—and after hours. Her going above and beyond the call of duty is not lost on Mr. Blue who tips her more than the customary 15-20 percent, he gives her 100 percent of his load splat on her face before she gives him a happy cleaning job with her mouth. Beats whatever he was going to find on the internet.

Tori Black with Mick Blue

She's the repeat Performer of the Year according to AVN and you don't get that just by blowing the guys in the office (trust me, I used to work there). This chick is an absolute fuck machine like few in the business have seen before, and she is at her peak. Oh, lucky Mick Blue!

Tori begins her fun with a tease that will have most guys blowing their loads before she can even get a cock in her mouth. Hey, nothing wrong with that. Of course, you don't become the industry's foremost performer by doing tease performances and Mick fills his role—and her holes—perfectly. Tori speaks right to the camera, it is POV after all, and she manages one of the finest cock-sucking performances of her career. She closes it out by rubbing his cock against her cooch and, to no one's surprise, his head and shaft end up entering that well-tested young hole

She begs him to fuck her like a dirty girl and somehow Mick holds back his load until, finally, he has no choice to pull out and pump it all over her pretty face. And you wonder why she's Performer of the Year

Selena Rose with Scott Nails

Only a select few get to be Digital Playground girls, but Selena (known in previous performances as Sasha Bleu) has made the cut and right here in her debut. She's a squealer and who wouldn't be with Scott's enormous cock headed toward two of her three holes? Even a finger in her bald snatch gets her volume turned up and it seems the only way to mute her is to stuff her mouth full of a wand that will magically make the sound disappear

After a nice suck she quits squandering his prick and stuffs it happily into her pussy. He goes harder and she gets louder and the expansion of another cunt is, thankfully, documented in high-definition. There's some cowgirl and reverse, giving us that glorious look at both her sides (pick one if you want, or just enjoy them both), then Scott flips her over as she hollers for more—much more.

That more comes soon in the form of a load to the face, not much making it into her wide-open mouth. Hey, long as she gets the load, she gets the contract. Welcome to DP, Selena!

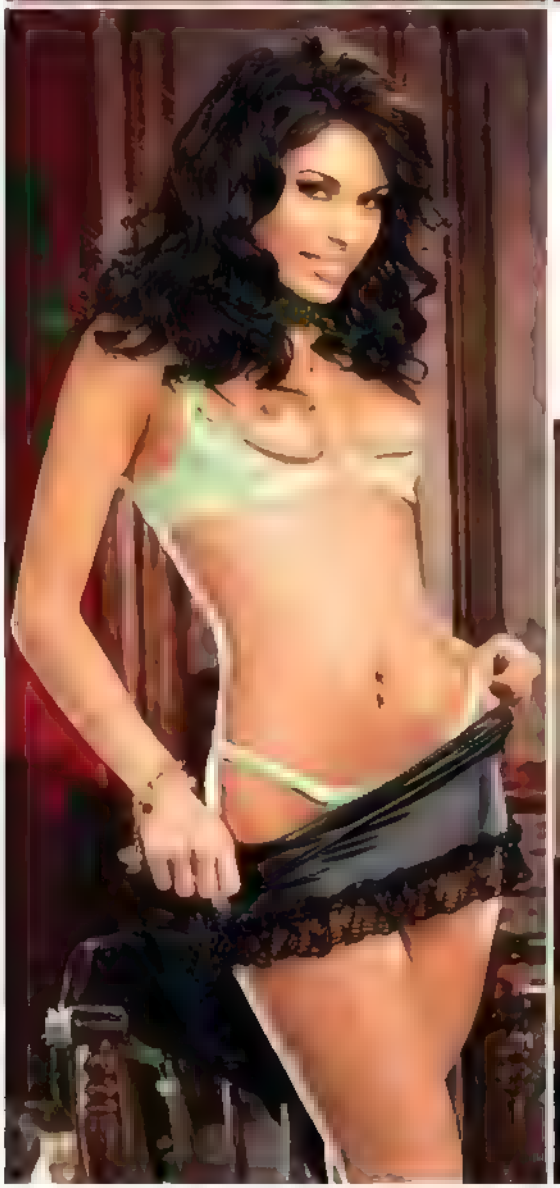
CAYTON
Fuck Of The Irish
CHERLcom 65

CAYTON



Growing up in Florida, Cayton Caley did a lot of "beach time." She did a lot of fucking, too, and fancies herself an expert in outdoor sex. "First thing you need is a good towel. Sand in your crotch, whether you're a man or a woman, is unpleasant," she says. "And get yourself some good sun block. You have to be careful because those areas where the sun doesn't normally shine can burn really easily!" Good advice, Cayton. But what about now, indoors, preparing for a St. Patty's Day Party. What pearls of sensual wisdom can you share about this environment? "St. Patrick's Day is an ancient occasion. There's only one way to properly celebrate," Cayton says. "Get wasted on green beer!" Bummer, Cayton, we were hoping you'd say, "Jerk off on a Latina slut," because that's what we're doing

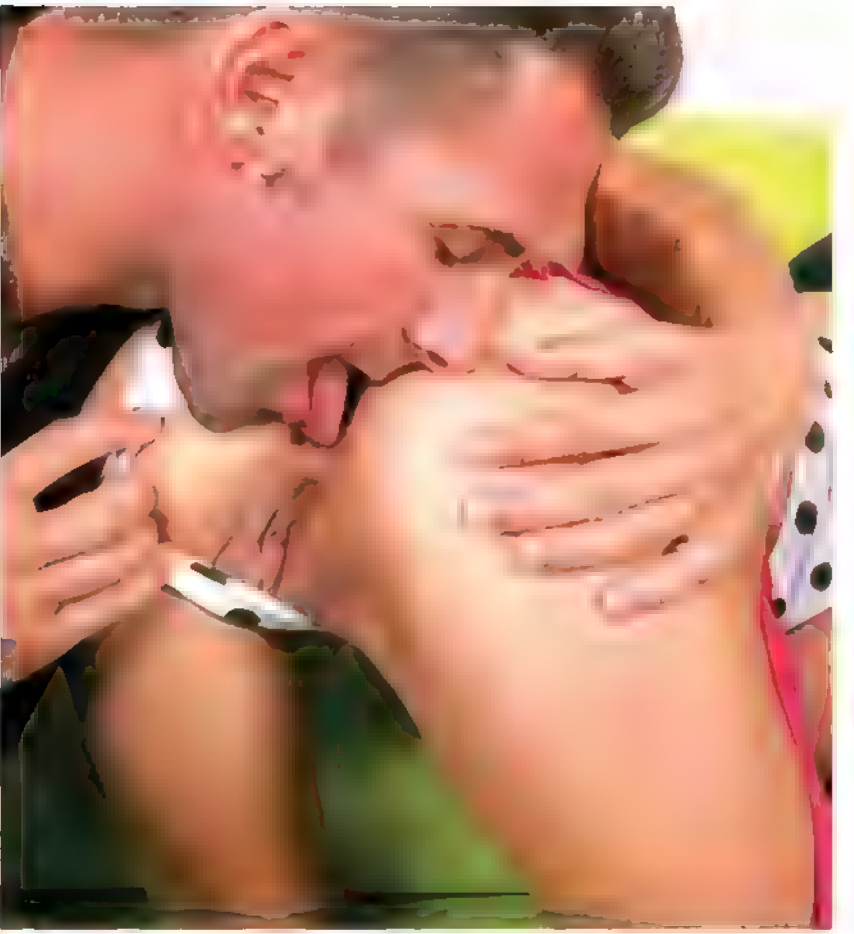
BLANCHE
Double Bogey

BLANCHE



The office party got a little out of control. It started out nice, with everyone enjoying cocktails and pleasant banter. But by the end of the night, Blanche was doing tequila shots and making color copies of her ass on the photocopier. Then she ended up in the employee lounge with Dave and Nick from the mailroom. The guys waste no time peeling her skirt off and pulling her polka-dot teddy aside, revealing her juicy fuck-holes. "Come on, boys," Blanche grunts. "I'm so fucking horny...stick it in me!" They do stick it in her—both at the same time—and Blanche cums blissfully on their hard cocks. They pump into her until she's limp and then they blast their loads into her hungry mouth. Come on, Blanche. This is an office party! Show some decorum! This is no way for the Chief Financial Officer to behave! Human Resources, maybe..

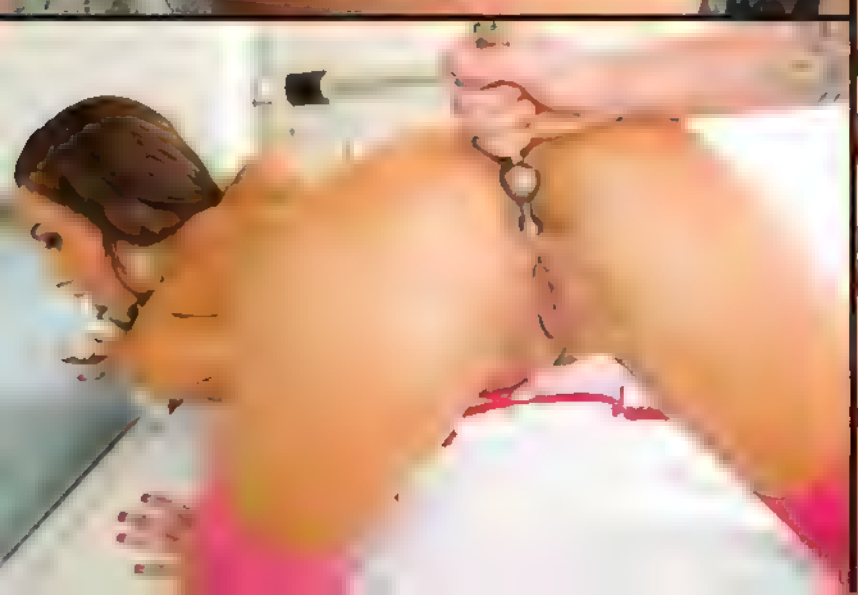
THE ASS FACTORY presents...

THE SCENES: DEEP ANAL DRILLING

Rectal Explorers Go Way Down For The Essence Of ASS!

This latest release from Jules Jordan Video is literally a who's who of anal sex stars. They provide amazing tease and even hotter sex. Rebeca Linares shows off her ass and then whips Voodoo right into shape. Shyla Stylez follows with a really great scene. Her tease sets the mood and then her anal action drives it home. That ass gets drilled deep and hard. You won't forget this scene any time soon. Amy Reid shows off her perfect body, while Tori Black finishes things off with another exceptional anal scene. Tori's body, sexual energy and anal skills are impressive. Overall this is a great collection of tease footage and hard anal action.

By Rob Perez



REBECA LINARES

Rebeca Linares is the first to come out to play. She begins decked out in red bottoms and a black see-thru top, slowly moving a riding crop across her body. She stretches out her lovely form and works that fine Spanish booty of hers. She soon finds Voodoo naked in the bathroom, and teases the guy's cock for a few moments before giving him head. At one point, Rebeca stops to rub the guy's cock with her butt crack...talk about tease! Rebeca resumes her blowjob, but adds some additional visual stimulation, shaking her hips and ass as she slowly pulls off her bottoms. Voodoo's cock eventually ends up inside the sexy senorita, starting with a reverse-cowgirl. Rebeca leads Voodoo by his hair into another room, where the two of them get down and dirty with missionary and standard cowgirl-style fucking.

Rebeca then gets on her hands and knees and offers up her sphincter for rump-pumping. Of course, Rebeca takes time out from her sodomizing to do some ass-to-mouth and talk dirty. Afterward, Ms. Linares pushes Voodoo onto a couch and rides the guy's cock to an anal climax. Rebeca sucks her ass juices off his dick, indulges in some anal spooning, and ends the scene by jerking Voodoo's spunk onto the side of her face. That's using your head, Rebeca!

SHYLA STYLEZ

Shyla Stylez opens her scene teasing us in the hallway wearing her lingerie, her polished stripper moves enhancing the lengthy tease session substantially. She sees Jerry and immediately drops down

JULES JORDAN VIDEO

JULES JORDAN VIDEO

to her knees to slob his knob aggressively. Jerry seems to enjoy the blowjob, but takes a few minutes out to fuck Shyla's giant titties, which also looks like lots of fun. Then he licks her asshole, which looks pretty tasty, too. Shyla takes Jerry in her vag for a few minutes, but it's just a warm-up for the anal plowing she craves. She bends over a chair and opens the backdoor for Jerry. He barges right in without even knocking. There was an excess of lubrication to contend with, but the anal pile-driver shows how prepared Shyla is for booty duty. The scene closes with ass-to-mouth and a major facial... *viva la romance!*

AMY REID

Sexy Amy Reid has a body made for this business. Her legs look great in pink stockings as she spreads wide and plays with her hot pussy. She warms her ass up with a toy before Jules comes in and licks her butthole clean. He works a new toy into that tight hole and really enjoys how she opens up. Jules puts her on all fours and fucks her hard from behind, taking full advantage of Amy's perfect bod. Amy has great tits (perhaps the best in all of adult entertainment), but ultimately this is about her ass. Jules rolls her over and gives us a great shot at that pretty butt. Amy takes it deep, smiling happily as

ownload.com

Jules goes balls deep. Amy goes face down and ass up for the best camera and cock access. Jules puts her on her knees to streak her face with ball batter. Amy takes it like the porn champ she is.

TORI BLACK

CHRM Tart Of The Year Tori Black opens the final scene wearing a red and black set of lingerie, her sleek body proving to be as fit as anyone currently in the industry. While there are some attempts at stylish photography, Tori seems eager to get to the fucking. Who can blame her? Poor girl probably hasn't been laid in hours. Luckily there's an erection nearby, which Tori is quick to claim as her throne for the next couple of hours. She sits on that dick, bounces on it, spins around, takes it out and shoves it up her ass. She's like a crazy nympho! Wait, she *is* a crazy nympho. That's why she's been voted Female Performer Of The Year an unprecedented two years in a row. It also explains why she looks so pleased jerking that cock into her mouth, swallowing some seed and letting the rest splatter her toned torso. She loves it...and we love her for it!

GIA: PORTRAIT OF A PORNSTAR

(SunLust Pictures)

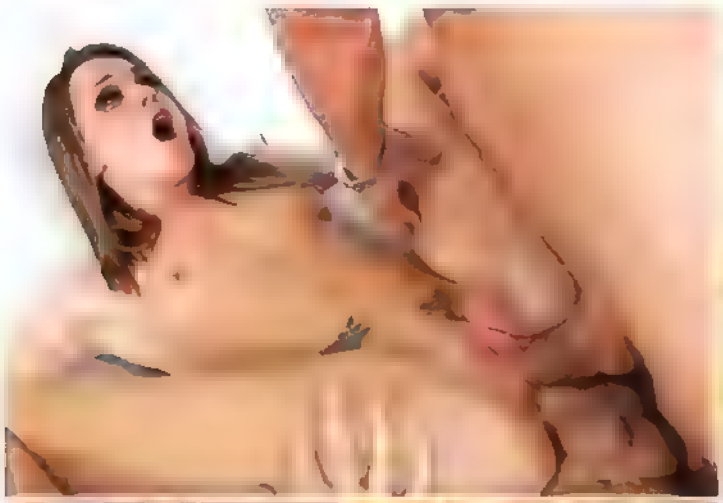
Starring: Sunny Leone, Breanne Benson, Ariel King, Jennifer Dark, Tori Black, Monica Mayhem, Lexi Belle.

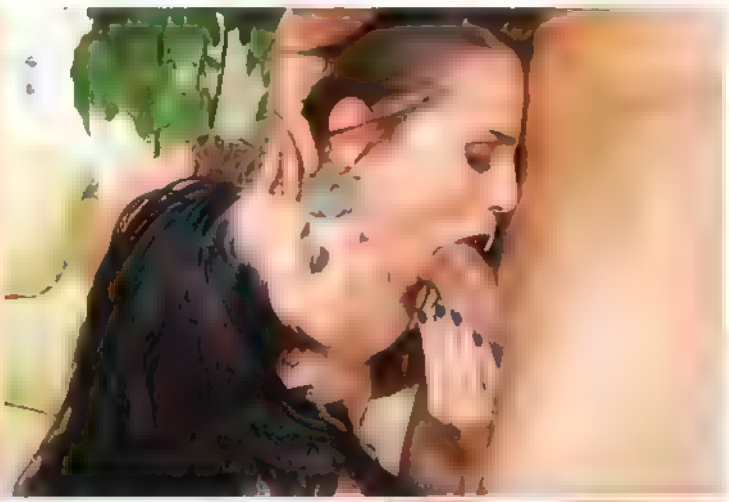
Gia tells the story of a porn star who rises to the top of the porn world but freefalls down a destructive path which ultimately leads to the worse case scenario. Instead of a happy ending, Sunny Leone brings to camera a very dark but compelling story of a girl named Gia who is actually a composite of many girls who have tasted success but let it all go due to their inner demons. This surefire Best Picture nominee is not the usual type of porn film, but succeeds by having terrific acting performances by Sunny and incredibly hot and passionate sex scenes, including Sunny's first official anal and double penetration scene (in a lesbian tryst with Performer of the Year Tori Black), and interspersed with mock interviews featuring Ron Jeremy, Janine, Debi Diamond, Dyanna Lauren, and a host of other porn luminaries. Inspired by the 1998 film *Gia: Portrait of a Supermodel* starring Angelina Jolie, this film is incredibly moving but sometimes difficult to watch. It exposes some of the more common negative stereotypes associated with adult entertainment: drug abuse, insecurities and loneliness. Sunny Leone has made a thinking man's porno, and a damn fine one, at that. But don't worry, there's plenty here to satisfy the stroking man, too.

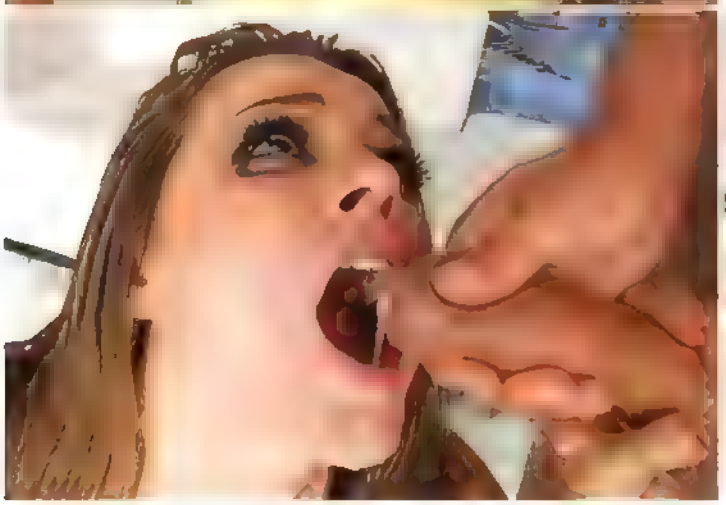
TORI BLACK IS PRETTY FILTHY 2 ⚡⚡⚡⚡⚡ (Elegant Angel)

Starring: Tori Black, Alexis Texas, Asa Akira, Charley Chase, Andy San Dimas, Jennifer White.

It's over three hours of non-stop Tori Black, the 2010 AVN and XBIZ Performer of the Year (and reigning CHERI Tart Of The Year) and she does truly get pretty filthy in this Mason-directed gem. Tori performs her first double penetration scene and looks ecstatic as she gets her holes reamed. The normally-loud Tori keeps silent as she enjoys having Mick Blue and James Deen penetrating her simultaneously, taking their splooge on her face when it's over. Tori is a natural sexual wonder in the remaining four scenes, especially when she rubs and grinds herself all over Andy San Dimas, a surefire nominee for big awards this year. Tori gets pounded in her ass by Mr. Pete, who also gives Ms. San Dimas a power boning, before blasting over both their pretty faces. Mason shoots one of the year's best all-girl scenes as she lets Tori and Buttwoman herself, Alexis Texas, go at it and bring in Charley Chase for the sizzling hot lesbian ride. And before taking a thick black cock up her ass, Tori plays with Asa Akira's smoking hot body, lapping her sweet poon pie and sucking on those firm tits before riding on her man's nine-incher in a spectacular closing scene. For anyone who doubts Tori is the best around today, *Tori Black is Pretty Filthy 2* will definitely turn haters to the black side!







SEX & THE CITY THE ORIGINAL PORN PARODY ★★★★ (New Sensations)

Starring: Bobbi Starr, Brittany Andrews, Kayla Paige, Coco Velvett, Zoe Voss, India Summer, Angie Savage, Nichole Heiress.

We've waited over ten years to see Carrie, Miranda, Samantha and Charlotte get it on. Finally we get to see the girls of *Sex & The City* getting down and dirty, lesbian-style in this sexy porn parody of the long running HBO series. Anyone who was a *S&TC* fan will agree this Lee Roy Myers directed parody keeps it true to the series while the cast play their roles with lots of humor, charm and lots of porn attitude. The legendary Brittany Andrews perfectly captures Samantha's oozing sex appeal, while superstar performer Bobbi Starr as Charlotte (a far better actress than she's given credit for), plays her with a natural sweetness, but in bed, a raging tiger. While the central story revolves around Carrie's impending move to LA, there are really four separate stories, nicely filmed with interesting dialogue followed by fiery sex. The finale is a sizzling lesbian encounter between the four friends as they really show how much they love and lust after each other. Brittany Andrews' anal encounter with Danny Mountain will earn her a best supporting actress nod, while *Sex & The City The Original Porn Parody* ranks as one of top parodies of the year.

D2: DEVIANCE 2 ★★★★

(Adam & Eve/SkinworXXX)

Starring: Teagan, Alexis Texas, Adrenalynn, Jenna Haze, Nikki Benz, Kristina Rose, Shyla Stylez.

The all-sex flick *D2: Deviance 2* is not only an excellent all around fuck flick, but it's also a solid effort technically, with crisp camerawork, high production values, plus a stellar cast that always deliver on the sizzle level. Shyla Stylez is up first, letting a garbage bin hobo enter her ass out in public, showing everybody what a dirty Canadian slut she is. Marco Banderas is the lucky guy who gets to bang Kristina Rose's pretty little ass and nail one of our favorite porn beauties, Adrenalynn back after a two-year break. Jenna Haze and Alexis Texas enter a place of worship during Mr. Pete's sermon, and decide to worship his cock. Jenna pumps her ass up and down on Pete's cock while Alexis shakes her creamy white moneymaker over his face. Nikki Benz shows why she's one of porn's best ever, taking on three of the biggest cocks in the business, solo. Saving the best for last, Teagan finishes things up by burying her face in pussy and boobs and taking a plastic dick up that fine bubble butt. *D2* will definitely drain your nuts.

COUPLES SEEKING TEENS VOL. 5 ⚡⚡⚡⚡ (Reality Junkies)

Starring: Melanie Rios, Kaylynn, Lily Carter, Kristal Summers, Jynx Maze, Carolyn Reese, Victoria White, Coco Stone, Ella Milano, Amanda Blow.

How do you keep a marriage, or other long-term committed relationship, from getting stale? This is a question that has perplexed family counselors for generations. Entire shelves at bookstores and libraries are devoted to this exact question. Know-it-all douchebags like Dr. Phil have built careers around it. Who knew the perverted fucks at Reality Junkies had the answer all along? Want to keep your marriage fresh and exciting? Bring in a teen nympho and make her your sexual plaything. That's what the couples in *Couples Seeking Teens Vol. 5* do. Imagine your wife diving into the tender muff of Melanie Rios or Victoria White. Picture your old lady giving you a double blowjob with Jynx Maze, Ella Milano or Lily Carter. *Poof*, marriage is suddenly fun again! In fact, *everything* gets better when teen nymphos are added. Politics? Religion? International relations? Reality Junkies, and its crew of nymphomaniacal teen ambassadors, might hold the answer to all the world's problems.

CHERRY

Cruz shares an intimate secret with his new girlfriend, Cherry. "I...I have a smell fetish," Cruz says. "It's started with worn panties. I love the smel of a woman's used underwear. Then it progressed to boots and shoes. I get off on the smell of a girl's sweaty feet," he admits. "Now it's expanded to include almost any sexual scent. Ass, armpits.. that cheesy smell you get behind your ears. I love it all.. it's such a turn-on!" Cherry's not sure how to react. Part of her wants to run screaming Instead she lets Cruz take a whiff of her panties while she's still wearing them, grinding her silk-covered crotch against his nose. Them she rubs her feet on his face while Cruz jerks off. "Mmm, your dick smells good, too..." Cherry notes. "Can I see how it tastes?" Go for it, Cherry. Just stop him before he gets to the ear cheese

TINA & GOLDIE
Head Up Your Ass

TINA & GOLDIE

Sometimes it's not easy sharing an apartment. Who gets the bigger bedroom? Who gets the top half of the fridge? Who gets to use the tub first? Fortunately, Tina and Goldie have that last one all worked out. By taking a bath together the girls save time, water, and soap. They also learn even more about the gift of giving. They help each other scrub those hard-to-reach places, and delicately lather up each other's tender spots. Then they share a kiss and everything changes. Suddenly they're both feeling selfish again, rubbing against one another, hungry with need, eager to orgasm. Tina cums first, flooding Goldie's palm with cooze-juice. But Goldie is close behind, swinging her leg over Tina's head and lowering her wet snatch onto Tina's tongue. Slow down, girls. There's plenty of time and p easure for all. Enjoy being *womb*mates! ●
